

## Parents / Guardians

**Encourage** your children to walk or cycle to and from school on a regular basis.

**Promote** healthy living.

**Save** yourself from traffic and scheduling hassles.

**Cut out** even a few car trips to school.

**Show** your children what a great driver you are!

**Model** excellent driving behaviour.

**Respect** our neighbours and please don't block driveways. Improve our school, our community and our environment.

Students want independence, but need reminding that they are not indestructible. Help children learn how to make responsible choices by talking about safe walking habits.

Although parent volunteers have walked these main pedestrian routes to check for major safety issues, please keep in mind that no route can be guaranteed safe.

**Main goal** of the Unsworth Elementary Safer School Travel (SST) Team is to help students get to and from school safely.

**The SST Team** needs your participation to promote student safety.

**Check out** school notices and bulletin boards for ongoing projects to promote SST.

**Your ideas** and feedback are welcome.
